Project Only –Minimum 10yr Contract Period

Water customer agrees that in the event the water system does not become a reality, water customer will receive a refund for a portion of the sign-up fee, without interest.

The water customer agrees that with this agreement, the terms and provisions of North Central Regional Water District Bylaws, Policies and Regulations now existing and as hereinafter amended and adopted shall constitute a contract between the water customer and North Central Regional Water District, and both parties are bound by such contract as fully as though each had individually signed a separate instrument containing such terms and provisions.

North Central Regional Water District shall have the final decision in the location of any service connection to its distribution system; shall determine the allocation of water to water customers in the event of a water shortage; and may shut off water to a water customer who allows a connection or extension to be made to his service line for the purpose of supplying water to any other person.

The water customer (or landowner) agrees to grant North Central Regional Water District, its successors or assigns, perpetual easement over, above, across, and through lands owned by the water customer (or landowner) to erect, construct, install and lay, and thereafter use, operate and inspect, repair, maintain, replace and remove water pipelines and appurtenant, together with the right of ingress and egress over adjacent land for the purpose mentioned above.

The user agrees that they and their successors in title are to be bounded by all present and future policies and regulations of the District which they acknowledge they have had the opportunity to read and which may be amended.

Date Agreement signed: _____

Signature (water customer)

Signature (water customer)
