The water customer agrees that with this agreement, the terms and provisions of North Prairie Rural Water District Bylaws, Policies and Regulations now existing and as hereinafter amended and adopted shall constitute a contract between the water customer and North Central Prairie Water District, and both parties are bound by such contract as fully as though each had individually signed a separate instrument containing such terms and provisions. This agreement shall bind the parties, their heirs, personal representatives, successors and assigns. The water customer further agrees that once water becomes available from North Prairie Rural Water District, the water customer will use and/or pay for such water service. North Prairie Rural Water District shall have the final decision in the location of any service connection to its distribution system; shall determine the allocation of water to water customers in the event of a water shortage; and may shut off water to a water customer who allows a connection or extension to be made to his service line for the purpose of supplying water to any other person. In the event the total water supply shall be insufficient to meet all needs of all the water customers, North Prairie Rural Water District will first satisfy all of the needs of all water customers for domestic purposes before supplying any water for any other purpose.

The water customer (or landowner) agrees to grant North Prairie Rural Water District, its successors or assigns, perpetual easement over, above, across, and through lands owned by the water customer (or landowner) to erect, construct, install and lay, and thereafter use, operate and inspect, repair, maintain, replace and remove water pipelines and appurtenant, together with the right of ingress and egress over adjacent land for the purpose mentioned above. The user agrees that they and their successors in title are to be bounded by all present and future policies and regulations of the District which they acknowledge they have had the opportunity to read and which may be amended.
