

# North Prairie Regional Water District Receives 2022 Best of Minot Award

## Minot Award Program Honors the Achievement

MINOT January 26, 2022 -- North Prairie Regional Water District has been selected for the 2022 Best of Minot Award in the Water Utility Companies category by the Minot Award Program.

Each year, the Minot Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Minot area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2022 Minot Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Minot Award Program and data provided by third parties.
